

Intercept to Present at Upcoming Investor Conferences

November 11, 2021

NEW YORK, Nov. 11, 2021 (GLOBE NEWSWIRE) -- Intercept Pharmaceuticals, Inc. (Nasdaq:ICPT), a biopharmaceutical company focused on the development and commercialization of novel therapeutics to treat progressive non-viral liver diseases, today announced that Jerry Durso, President and Chief Executive Officer of Intercept; M. Michelle Berrey, M.D., M.P.H., President of Research & Development and Chief Medical Officer of Intercept; Linda Richardson, Chief Commercial Officer of Intercept; and Andrew Saik, Chief Financial Officer of Intercept, will participate virtually in fireside chats at the following upcoming investor conferences:

- The 2021 Jefferies London Healthcare Conference, for which the pre-recorded chat will be made available on November 18, 2021;
- The Piper Sandler 33rd Annual Virtual Healthcare Conference, for which the pre-recorded chat will be made available on November 22, 2021.

The presentations can be accessed on the investor page of Intercept's website at <http://ir.interceptpharma.com>, and an audio archive of the pre-recorded chats will also be available on Intercept's website for approximately two weeks from the time they are made available.

About Intercept

Intercept is a biopharmaceutical company focused on the development and commercialization of novel therapeutics to treat progressive non-viral liver diseases, including primary biliary cholangitis (PBC) and nonalcoholic steatohepatitis (NASH). Founded in 2002 in New York, Intercept has operations in the United States, Europe and Canada.
